

Scooter and Motorbike Reservation Terms & Conditions

Reservations:

Always confirm availability with us immediately before making the payment. Availability may change quickly, and a previous confirmation does not guarantee that the scooter/motorbike is still available.

When making a reservation, please provide the pickup and drop-off dates and times.

A booking fee of 20% of the total amount is required to secure your reservation.

Payment methods: PayPal, Bank Transfer, Revolut, or cash in person (if you are here).

After making the payment, please send us a screenshot of the transaction as proof (not needed if paid in cash).

If you arrive more than 1 hour late without notice, your reservation will be automatically cancelled and the booking fee is non-refundable.

If a scooter/motorbike becomes unavailable due to an accident or damage caused by another client, we may cancel your reservation and issue a full refund of your booking fee.

Driving a scooter requires prior experience. If we notice that you do not have sufficient experience, we reserve the right to decline the reservation without refund.
